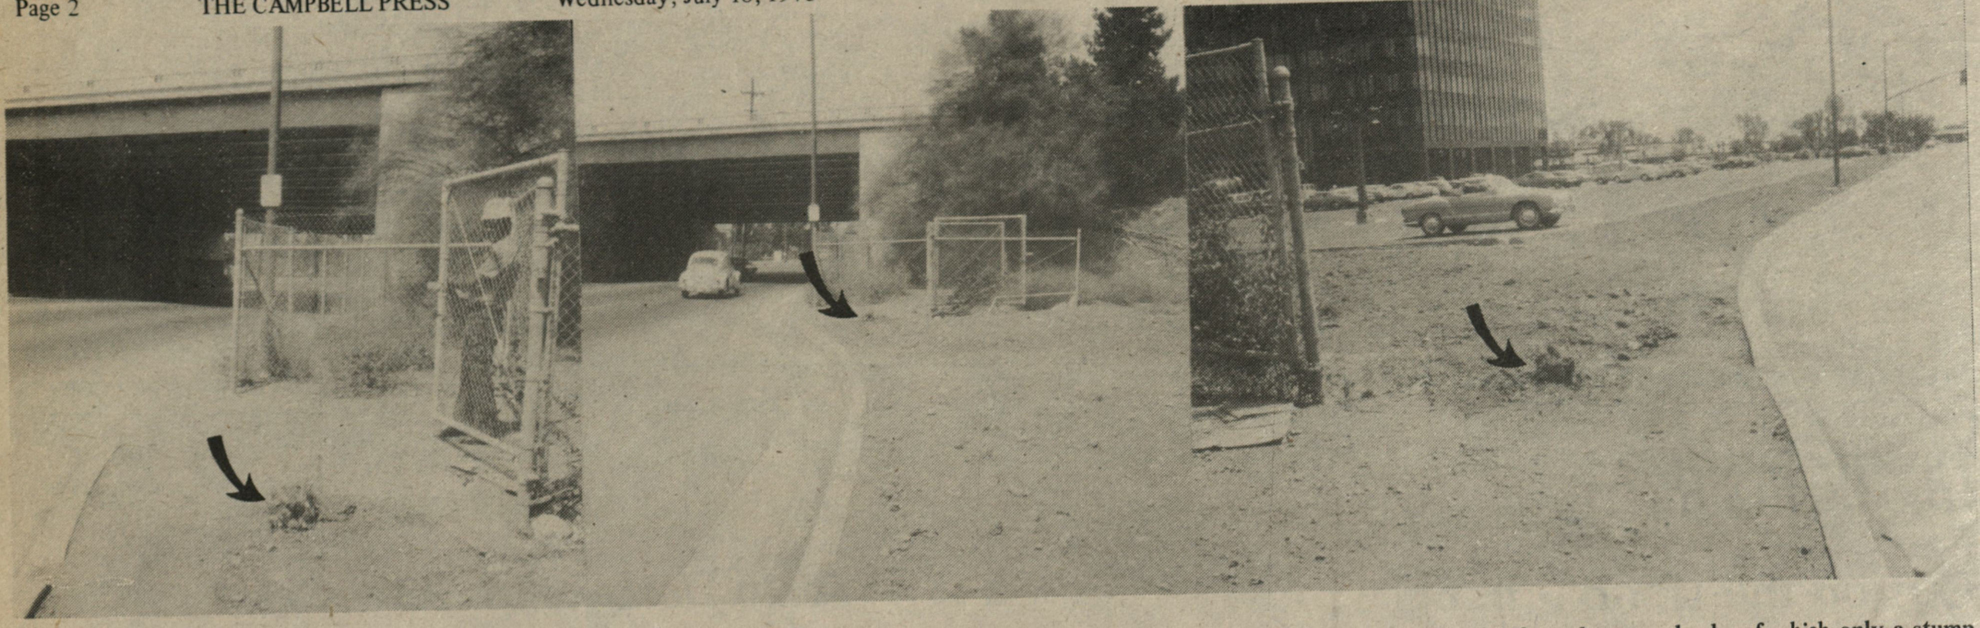
*Serenity in the city - Campbell Park*



**STUMPED AGAIN**--Only a stump now remains of the huge bush that used to force pedestrians from the gutter into the street as they left the Highway 17 underpass on their way to the PruneYard.

The Campbell Press on several occasions has called attention to the problems that exist for the person who wants to walk to the PruneYard.

A pedestrian, on the north side of Campbell Avenue, after leaving the underpass, either must walk in the gutter or plow across the still unplanted planting strip that separates the PruneYard parking lot from Campbell Ave.

On the north side of Campbell Avenue, the pedestrian can use the sidewalk until he gets to Union Avenue where the traffic signals and crosswalks are located.

But the crosswalks end at the curb and the same planting strip.

A picture of the gutter bush, of which only a stump now remains, graced the front page of The Campbell Press last week.

### TO "CLEAR THE RECORD"...

## Approved 'Gold Key' sign gets approval

It was sort of after-the-fact action. --

In what was classified as a classical example of "official redundancy," the Planning Commission, somewhat confusedly, Monday night approved the application of Pettibone Signs on behalf of Gold Key Furniture for a freeway-oriented sign.

The sign approved was the same one that had received the prior approval of the City Council the previous week. The Planning Commission's recommendation now goes to the City Council next Monday again.

It was explained by Art Kee, planning director, that this was to "clear the record."

The sign approved by the Planning Commission reduces the letters to six-feet and removes the word "Furniture." just as was the case at the City Council level.

In another sign matter, the Planning Commission approved a three-sided sign for Bell Savings and Loan at Campbell Avenue and San Tomas Road. The approved sign was a modified version of what was first presented by the savings and loan firm that has purchased Freddie's Liquors and seeks to utilize the pole sign at that location.

Other approvals granted by the Planning Commission on Monday night:

1) Conversion of a residence at 2190 S. Bascom into an office as requested by Robert Plassmeyer; plans for an office building at 1262 E. Hamilton submitted by Darryl Berg; 2) An industrial building at 70 Cristich Lane submitted by Robert Zipse. 3) An industrial building at 20 and 28 Railway Ave., submitted by Sherrel Kirk and 4) A request of Attorney Bill Smeed, on behalf of Frank DeRose of Winchester for amendment to the use permit for parking at the store on Winchester Blvd.

Approval also was granted J. H. Braley to operate a picture frame manufacturing business in a warehouse building at 36 S. Central.

The Planning Commission also on Monday cleared up three "carry-overs" from the public hearing held the previous week on getting the zoning ordinance consistent with the land use element of the general plan or vice versa, as required by state law.

One of the "carry-overs" was the area between Harrison and Hamilton Downs and from Grant to Hamilton. The Commission approved C-1-S for the sector on Hamilton and recommended R-M for the remainder, a less dense zone than R-2-S now in effect.

The Commission also approved PF (public facility) for the Hamilton School site and an "industrial - commercial" use for a triangular parcel be-te tween Foote and the railroad.

In agreement with Dick Hardy, representing the Ainsley Corp., the Planning Commission refused to extend P-D (planned development) zoning along Campbell Avenue, between Page and Foote.

**BOARD OFFICERS -- MRS. DOROTHY GOBLE has been elected president of the Campbell Union High School District board of trustees. MAC MARTINEZ (center) was named vice-president and WILLIAM L. MURPHY (right) clerk. Mrs. Goble succeeds Vern Rutlen as board president.**

CAPITAL "TOURISTS" -- Candy King (left in front), daughter of Dr. Bob King, Campbell Union (elementary) School District board president and Wendy Abbott (right) daughter of Gordon Abbott, board member, recently visited Sacramento with their dads, who met with state officials.

### FOR $195,000

## School improvements get trustees okay

Improvements to several Campbell elementary schools, estimated to cost $195,000, got the initial go-ahead from school trustees at the meeting held last Thursday evening in the district office.

Three proposals were offered by district business manager, Dr. A. O. Bachelor, which provide for improvements totalling $195,000. Most of the funding for the projects would come from building fund moneys.

Trustees authorized the administration to enter into a contract with district architects Higgins and Root to design faculty room expansion at Hazelwood, Rosemary and Sherman Oaks schools. Total estimated cost of the improvements was set at $100,000.

In the second proposal, trustees authorized seeking bids for providing safety surfaces underneath playground equipment throughout the school district. Estimated cost of the project is $65,000.

Bachelor also proposed that funds for this project could come out of the Community Service override tax, should AB 1267 be reinstated. (Governor Reagan signed that bill into law on June 29.)

After a lengthy discussion trustees postponed any decision on funding of this project.

Bids are also being sought by the district for materials and supplies to improve sprinkler systems at Dover, Blackford, Moorpark, Forest Hill, Monroe and Hazelwood Th schools. The present systems at these schools were characterized as inadequate. Total cost of this project was estimated at $30,000.

In other business trustees:

Approved the publication budget which calls for a total outlay of $15,136,600 for the 1973-74 schoolyear. Because passage of Assembly Bill 1267 will bring about considerable changes in the local school funding available, the budget adopted last Thursday should see substantial adjustments before final adoption in early August.

Two budget work sessions will be held Thursday, July 19 and Wednesday, July 25 to study the effect of reinstatement of several state funding programs.

The Gonsalez-Moretti bill includes such provisions as reinstating the override taxes for Community Services, Meals for the Needy, and other programs; and allocation of $40,000,000 statewide for Early Childhood Education programs and a state school equalization aid provision which allows up to one and a half times the amount specified for basic aid districts.

Gave official recognition to United School Employees-local 1448 as representing classified employees. The new union group, affiliated with the American Federation of State, County and Municipal Employees, joins the California School Employees Association (CSEA) in employee representation in the district. The two separate organizations will now be represented in meet and confer sessions in the Campbell district.

### NIGHT COURT

Presiding Judge Gerard J. Kettmann has announced that the Judges of the Municipal Court, San Jose-Milpitas Judicial District, have unanimously approved the institution of a Night Court.

This action was taken at the request of the Board of Supervisors which has been asking for a Night Court to serve the community for the past two years.

STUDY SESSION INDICATES

# City Council could divide over implementing downtown loop system

Campbell's long-pending downtown loop system, plan lines for which have already been approved for the north and south streets that will parallel Campbell Avenue, could conceivably run into a delaying roadblock caused by a divided City Council.

That was indicated on Monday night when the City Council met in a special study session to discuss the status of the loops, which one (north or south) should be developed first and how the almost $3 million project (including an interchange at Highway 17 for $1 million) could be financed.

Bill Wren, public works director, and members of his staff projected the program over a six-year period and broke down the costs on a year-by-year basis.

The engineers indicated that rights-of-way acquisition for both loops and the interchange would cost $1.6 million with construction estimated at $1.3 million.

Bill Helms, of the public works department, showed that the actual construction of the north loop would cost $260,000 and the south loop $360,000. Helms estimated that north loop acquisition would be about $240,000 and south loop $250,000.

Additional acquisitions would cost $128,000 and other construction costs could reach $693,000, including the Highway 17 interchange.

Councilman Ralph Doetsch gave the first indication that the five councilmen were not in complete agreement over either the implementation, priority between the two loops or the financing program.

Doetsch submitted that because of the development that is underway in the old Sunsweet operation (now "The Factory") he felt that the "south loop" project should be started immediately, regardless of whether a parking district was formed now. Mayor Dean Chamberlin indicated agreement with this concept.

However, Vice-Mayor Norm Paul felt that the proposed downtown parking district (the concept of which was also presented on Monday by the public works staff) was tied in with the entire project. He also indicated that a bond might be necessary to finance the plan.

Councilman Bill Podgorsek emphasized that he was not ready to "commit" future city councils in the financing of the project.

Councilman Rusty Hammer was non-commital at the study session.

It is expected that before the City Council approves the final budget next month and sets the tax rate, that definite action, one way or another, must be taken on which loop (north or south) should be given priority and how the project should be financed.

But no one was hazarding a guess of how it was going to go.

PLANNING COMMISSION OKAYS

# Three-sided pole sign goes before Council next Monday

A three-sided pole sign for Bell Savings and Loan, at San Tomas Road and Campbell Avenue, which received the approval of the Planning Commission on Monday, is also expected to get City Council blessing next Monday, July 23.

The approval of the Planning Commission came on the second time around. Modifications were made in the proposed sign after the Commission had rejected it. The savings and loan firm had purchased Freddie's Liquors and sought to convert the present rotating pole sign to their use as well as Freddie's. The liquor store is leasing back a portion of the building.

The Council at the appeal of the commission ruling, had referred the matter back to allow for a possible compromise.

In other actions next Monday, the Council is scheduled to reappoint Oleg A. Lubeckis to the Planning Commission. J. DuWayne Dickson, who was appointed last month to fill the unexpired term until August 1, 1973, of Carl Larson on the Planning Commission, is also expected to be reappointed to a four-year term at the same time.

Scheduled to be reappointed to the Civic Improvement Commission next Monday are Mrs. Jane Peterson, Mrs. Phyllis B. Hofer and Mrs. Anita Campos.

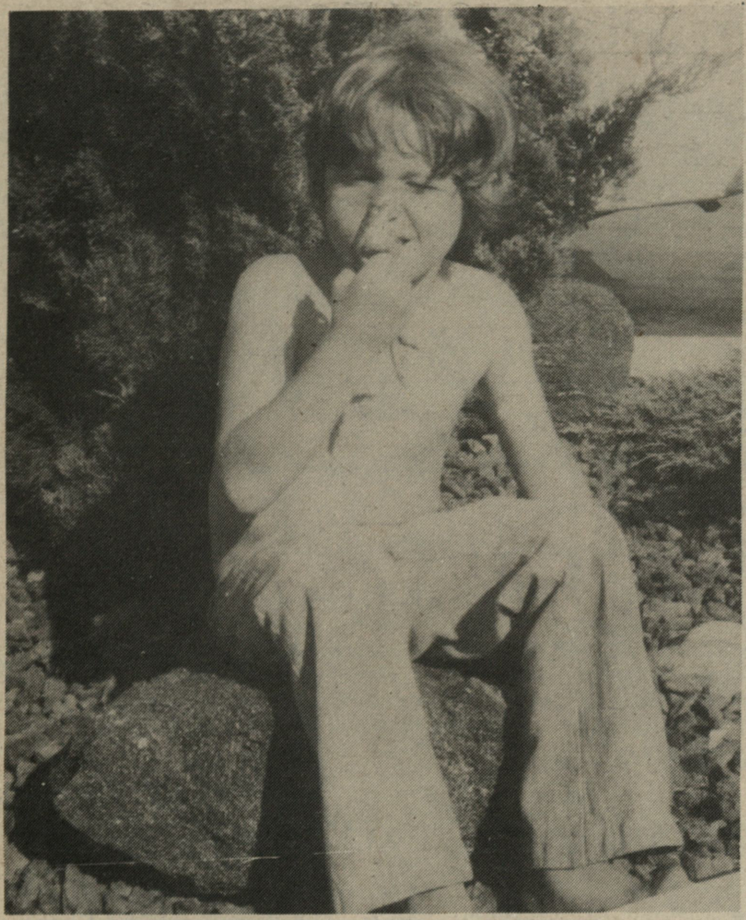
Council action on the use of the former engineering building (old scout hall) is expected to be deferred next Monday because club officials are out of town.

The Council plans to discuss recommendations of the goals committee that have not yet been acted upon and also may approve the street name-change of "Jean Drive" to "Sharmon Palms Lane" as recommended by the Planning Commission.

The City Council is also scheduled to verify a study session with the Planning Commission for Monday, July 30, to discuss the traffic circulation plan of the city. The downtown loop system is expected to be under fire at that session.

Another matter that is expected to be tossed around at various study sessions before the final decision is made, concerns the proposed recreation program for the city and the employment of the city's first recreation coordinator. The Council so far has indicated a division in concept on the recreation issues.

**TRAFFIC MISHAPS**--Two accidents involving a total of eight vehicles backed up traffic along Hamilton Avenue Monday morning. Three Campbell residents were injured in the first which occurred at 9:56 a.m. near Third Street. The second, at 11 a.m. was a four car fender bender which caused no injuries. (For more details see page 5.)



DAVE PEERS, 6, GIVES HIS FROG A PEP TALK

# The frogs are jumping again in Campbell

The second annual San Tomas Frog Jump Contest is scheduled to begin at the stroke of 12 noon on Sunday, July 29 at the San Tomas Plaza parking lot, corner of Campbell Ave., and San Tomas Aquino Road.

**Children under 12 years of age are invited to enter their froggy friend in the day-long event which features prizes and, usually, surprises. The contest will run through 6 p.m.**

Only frogs can be entered in the contest, according to Bill Bennett, Jr., grand master; and no toads or rabbits will be accepted.

(According to Bennett a young girl tried to enter the latter in the 1971 contest.)

Bennett began the Campbell Frog Jump Contest in the Spring of 1971. Last year, injuries sustained in a motorcycle accident kept him from holding the event.

Recovered, he now has plans in full swing including "official" entry forms which ask for the frog's statistics. "Name, type and class," are a few of the expected queries, but other questions ask for the frog's "weight, distinguishing marks and marital status."

(Ed: I guess you ask the frog.)

**A limit of 500 entries are being accepted this year, according to Bennett and the newly published official rules contain a few modifications.**

Entrants must use an official entry blank (they can be obtained at The Man of Today Barber Shop of Campbell, 110 San Tomas Aquino Rd.) The entrant must capture the frog himself, or herself, and this fact must be certified by two adults over 21 years of age. Only Santa Clara County frogs will be accepted.

Each frog will make a series of three jumps. The total of all three jumps will be the total used in determining the winners.

All judges decisions are final, the rules continue, and no bribes of frog legs, fresh lily pads or fat flies will be accepted.

## Area youngsters invited to library program

"How to Plant Terrariums," is the next program scheduled at the Campbell Public Library this Tuesday, July 24, at 2 p.m.

Part of the ongoing summer library program, other activities have included cartoon films and a talk with two ball players from the San Jose Bees.

Coming up in future programs are; the children's movie "The Red Balloon," on July 31; stories on August 7, and a puppet show on August 14.

The library is located on the corner of Campbell and Central Avenues.

All school-age children are welcome to participate in the Tuesday afternoon programs.

## Hospital picks advisory head

Gino Plares, who is a receiving clerk at The Good Samaritan Hospital of Santa Clara Valley, will be chairman of the hospital's Employees' Advisory Committee for the coming year, as a result of recent elections.

Other new officers are Peg Towns, engineering department secretary, vice-chairman; and Wanda Winkler, labor and delivery technician, secretary.

The EAC serves as a liaison between the hospital's administration and employees, as well as acting as organizing group for employee fun and fund-raising activities. Next event on schedule is a picnic Saturday (July 21) at Frontier Village.

## Boys chorus tryouts held

The regularly scheduled summer auditions of the Santa Clara Valley Boys Chorus will be held on Wednesday morning, July 25.

The Chorus has recently been re-formed and now use only treble voices.

All boys between the ages of 8 and 12 years are invited to audition.

As their first activity of the new year the boys are invited to attend day camp for two weeks starting August 6. The daily sessions begin at 8:30 a.m. Monday through Fridays, and will include two hours of singing, experience on the Elizabethan recorder, sight reading and music theory as well as out-door activities.

Those interested in auditioning for the Santa Clara Valley Boys Chorus should come to the Leonard Herman School, 5955 Blossom Ave., San Jose, between 9 a.m. and 12 noon. For further information call John Turner, 374-7489.

### STORYTIME

Preschool children are welcome at the Wednesday morning Storytime held at the Campbell Public Library, 249 E. Campbell Avenue.

In addition to the usual fare of stories and finger plays, plans also call for films designed especially for the preschool child.

Storytime begins at 10 a.m. each Wednesday morning. For more information about the program contact Dolly Larvick, children's librarian at 378-8122.

## 24 hour emergency care now available at hospital

Community Hospital, Los Gatos-Saratoga now has a team of doctors available 24 hours daily for emergency treatment, it was announced last week.

Specialists in emergency care, the doctors provide initial diagnosis and treatment pending arrival of the patients' own doctors. They are also qualified, to take full charge of emergency patients who have no local "family physician".

Dr. Matthew Kayson of San Jose heads up the new team on duty at the Pollard Road facility.

**SUMMER IS**...Sweltering in the heat as you wait to pick up your daughter from swimming lessons.

## *Art entry deadline nears for county fair*

All art entries for the 29th annual Santa Clara County Fair, August 17-26, must be delivered to the Pavilion Patio at the Fairgrounds, 344 Tully Rd., San Jose, between 9 a.m. and 5 p.m. Saturday or Sunday, July 21 and 22.

A non-refundable entry fee of $1 per entry is required to be considered for Fair display. Entries must be first County Fair showings of original works by county residents. No more than three works may be submitted.

Due to space limitations, a Jury of Selection will determine which pieces will be exhibited. It may reject any entry that does not comply with rules and definitions.

Premiums range from $50 to $15 in oil painting, watercolor, sculpture, graphics, ceramics, jewelry and textile divisions. Medals, ribbons and other special awards will also be presented.

For rules and definitions, entry forms are available at the Fairgrounds. For specific questions concerning entry details, phone the art clerk at 295-3050.

Although watchmen will be on duty, the Fair Association is not responsible for any loss or damage of entries.

### STRANGE THEFT

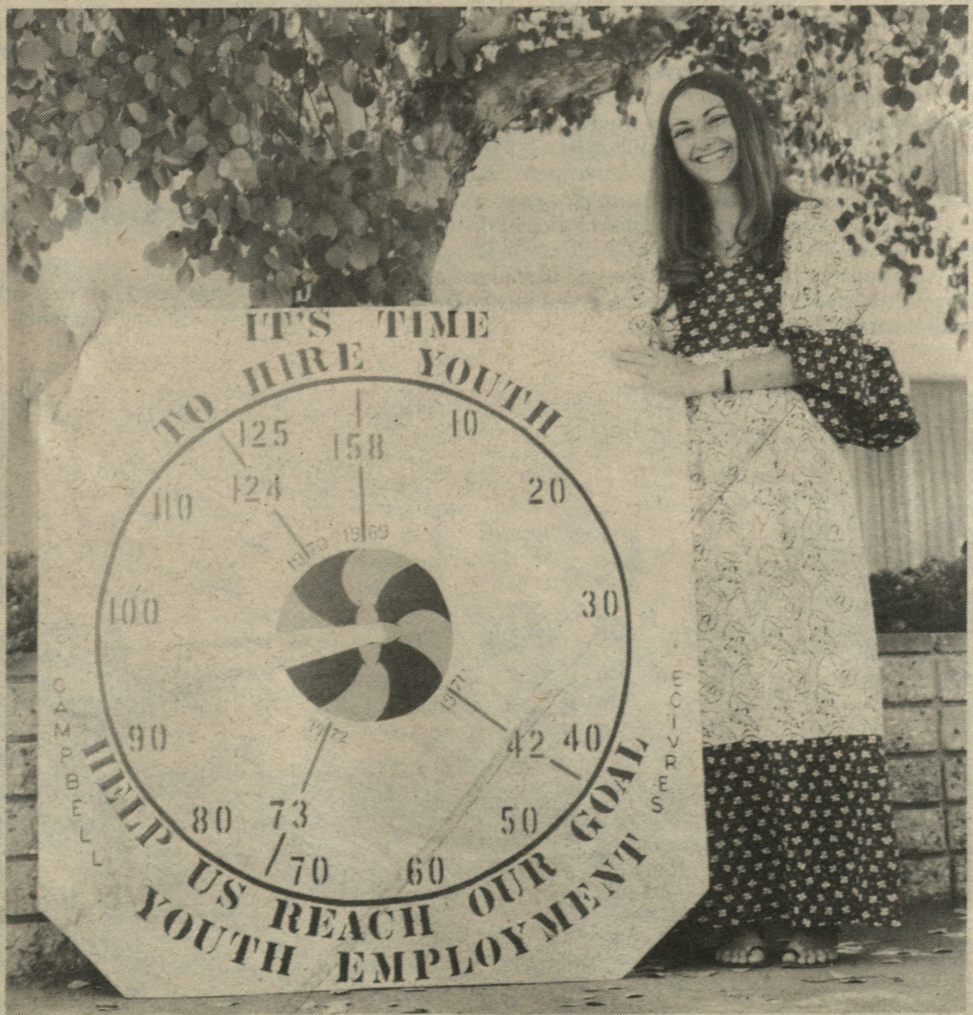
When a Campbell woman went to her nightstand to get her watch last week she discovered the watch missing.. along with a ring..and the nightstand.

According to police reports, no other items were taken in the theft.

### ON THE RIMS

When a Campbell supervisor went to his car after work here last week, he got a surprise.

His 1965 Mustang was there, all right, but missing were all four wheels.



**BREAKING THE RECORD**—Debbie Havens, Y.E.S. Director, is shown above as she revises the youth employment goal sign. On July 10 the first step toward setting a new record came as the 96th student was placed on a job. On July 10, 1969, only 92 students had been placed. Chairman Jim Bower said the '73 Y.E.S. Program is out to break all previous records. Jobs are still needed and readers who could use help for a day, an hour or a week are urged to call the program office at 378-1666.

## Parents urged to get pre-schoolers immunized

Starting in late May and continuing through the summer, the schools and the Santa Clara County Health Department will be pushing the importance of immunization for pre-schoolers, and the advisability of getting the necessary shots and records for each child well before September.

The Santa Clara County Office of Education is helping with the distribution of the initial notices which will be carried home by kindergarten and first grade children.

Public service announcements on radio and television during the summer will remind all parents of young children of the need for immunization and the legal requirements for school enrollment.

According to state law, elementary schools must require proof that children enrolling have been immunized for diphtheria, tetanus, whooping cough, polio and measles. The requirements apply also to day-care centers, nursery schools and day nurseries.

While the schools have the legal responsibility, the concern is shared with the Health Department. Unless 80% of the people in a community are immunized for a communicable disease, there is a serious continuing risk of an outbreak and the subsequent spread of that disease.

During 1972, when the County Health Department checked the immunity levels in five selected areas in the county, the levels in two of the areas were found to be considerably below the safety point for all the diseases listed above. Measles immunity was below the safe level in all five areas.

Parents are urged to see their personal physician to be sure that their children are fully immunized and have the necessary records complete well before fall. Incomplete immunization means the risk of delayed or conditional admission for the child.

The County Health Department offers public immunization clinic services at no charge, in many convenient locations throughout the county and at many different times. The schedules were listed in the notices taken home by kindergarten and first grade students.

Details are also available from school offices and from these District Health Centers: West Valley, 354-8330 and El Camino, 732-3720.

## Music camp openings told

A few openings are still available for the El Camino Youth Symphony Orchestra's summer music camp, to be held August 18-26 in the Santa Cruz Mountains near Big Basin State Park.

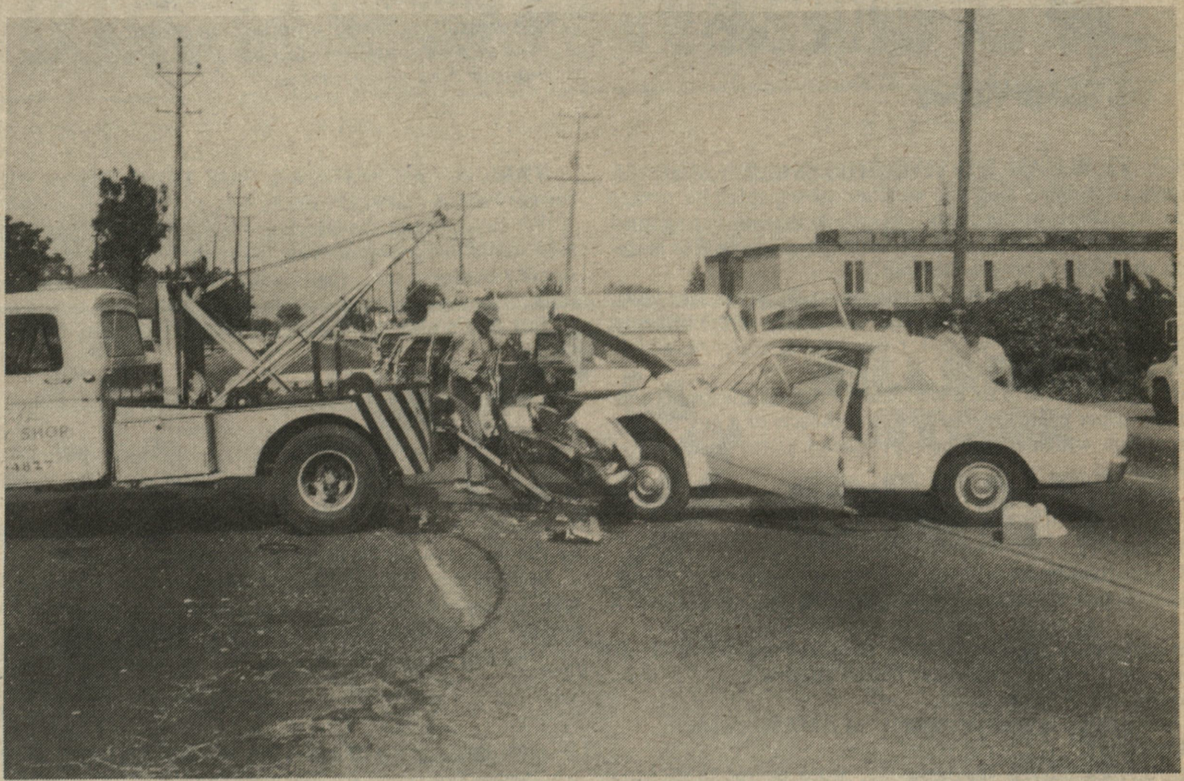
Applications are still being accepted for the brass, string, and percussions sections.

In addition to the junior and senior orchestras, the camp will include instrumental workshops, seminars, chamber groups and recreational activities.

The nonprofit camp will be held at the Santa Clara County YMCA's Camp Campbell. It is open to musicians between the ages of 12 and 18.

Application forms and additional information are available by contacting William C. Davy, 1467 Fields Dr., San Jose, 95129.

# Three injured in smash-up



Three Campbell persons were injured in a spectacular crash on Hamilton Avenue Monday morning involving three cars and a truck.

According to police reports, the car pictured above was hit from the rear by another auto while west bound on Hamilton forcing it into a head-on collision with a north bound auto driven by a Campbell woman.

The first car, after hitting the Falcon driven by John F. McClendon, 62, of 47 S. Third St., veered off striking a truck in the right hand lane.

Taken to Good Samaritan Hospital were McClendon, his son Carl McClendon, 32, a passenger in the car; and Patricia Rae Ritter, 25, 803 Springfield Dr., driver of the second car involved in the head-on collision. Miss Ritter was treated for head injuries and released. McClendon and his son were reported in satisfactory condition at the hospital. The drivers of the other car and truck were not injured.

In a second accident later Monday morning near 783 E. Hamilton Avenue four cars were involved in a pile-up in which a small yellow Opel came to rest underneath a larger American-made car. No injuries were reported.

### POOL'S OPEN

**Del Mar High School's swimming pool, closed July 2 for repairs, is now open for recreational swimming.**

**In addition swimming lessons are being offered at the 1224 Del Mar Avenue facility from 9:50 a.m. to 1 p.m.**

## Planetarium series draws to a close

Only two shows remain open for West Valley College's summer planetarium series on "The Seven Wonders of the Ancient World."

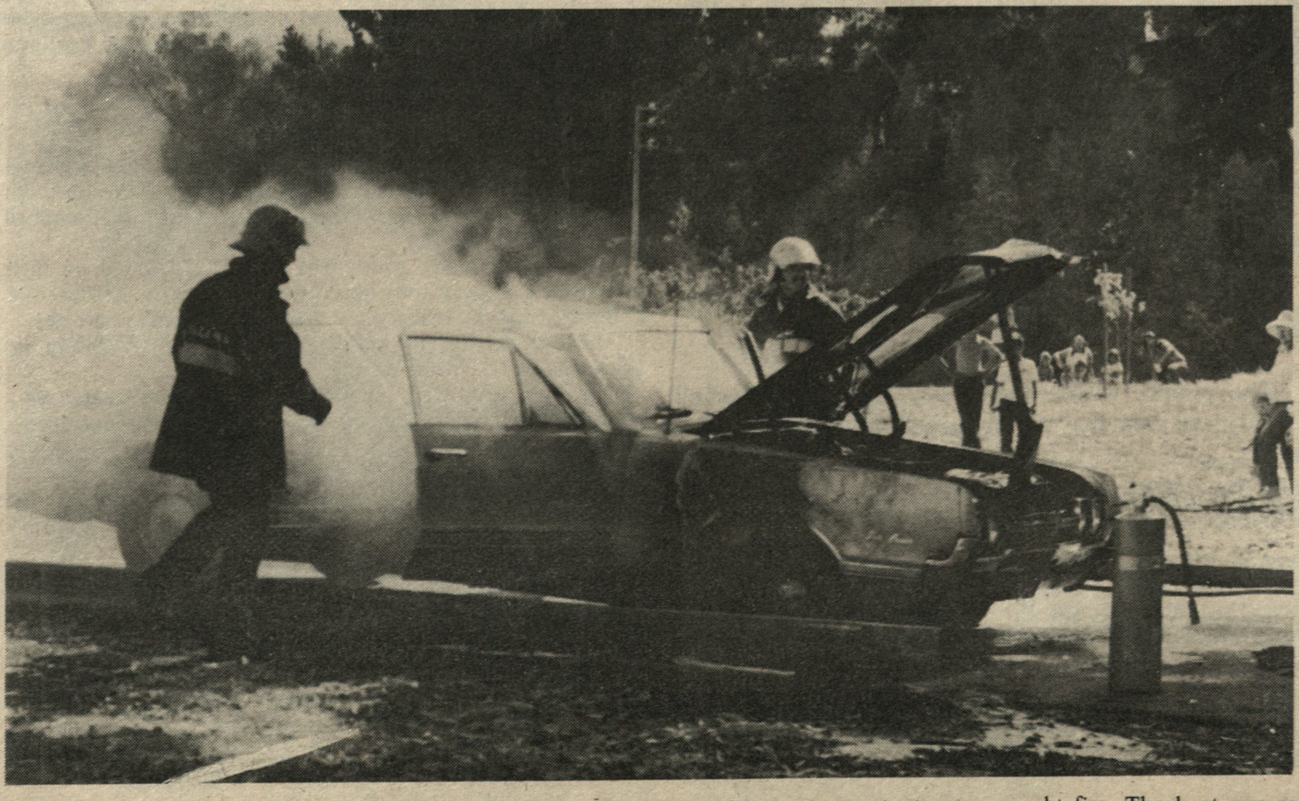
The two remaining shows will be held this evening July 18, and Wednesday, July 25 at 7:30 p.m.

The shows will delve into the relationship between astronomy and the seven wonders of the ancient world: the great pyramids of Egypt, the Collosus of Rhodes, the Great Lighthouse at Alexandria, the Hanging Gardens of Babylon, the Temple of Diana in Greece, the statue of Zeus at Olympia and the Tomb of Mausolus.

Charles C. Warren, director of the Rosicrucian planetarium in San Jose, has designed and will present the shows.

Those interested in attending either of the two shows must make reservations through Community Services, 379-1733, ext. 58. A 50-cent per person fee will be charged at the door.

# Car a total loss



When Clifton De Martini of Campbell took his camera to Vasona Lake recently he planned to get some quiet landscape studies for his photography course at San Jose State University.

Instead he became caught up in a drama which resulted in some very live action shots. One of those pictures is above.

According to De Martini, 881 Springfield Dr., the family involved managed to escape without injury when the car caught fire. The heat was so intense, at one point, that the tires exploded. Firemen finally extinguished the blaze which left the car a total loss.

## Letters to the Editor

### BACK FROM TRIP

Dear George:

Last evening, after a 10,000 miles and 55-day vacation, my wife and I arrived home safely and, I might add, happy.

We were tired and "broke." But we are pleased that the community could carry on so well without us. In fact, I see some improvements.

This morning I attacked the mountain of "disaster" mail that had accumulated while we were gone.

I call it "disaster" because of all the lost causes that had to get along without my support during our absence.

I guess I was not wide awake, for I ran across one newspaper that I did not recognize. And someone had written on the front that I was to leave 35-cents in the box.

I did not have the least idea what was going on, so I called my wife.

She solved the mystery in short order. She informed me that I was looking at the "new" Campbell Press and that we owed the paperboy the 35-cents.

Now, that IS what I call a change!

Anyway, we had a nice vacation and are very happy to be back in our wonderful community.

We thank the police department and the other wonderful people who looked after our interest.

George, we appreciate you more than you will ever know.

Sincerely yours,
Floyd M. Little.

# OUT ON THE LIMB

with George Vierhus

SINCE WE BEGAN WRITING THIS COLUMN SOME 25 years ago (not here but on another newspaper) its rather unique name, "out-on-the-limb", has made it possible to sound off on various subjects in keeping with the meaning that is implied by the idiom "out-on-the-limb".

We gave that label to the column some 25 years ago when trying to find a suitable heading for our weekly verbal offering that we were starting to write for the weekly paper on which we were working at that time.

Quite candidly the reason we picked "out-on-the-limb" was that in the paper's file we ran across a sketch of a guy sitting out on a limb which could be reproduced as the heading for the column.

So, maybe, if we had found a different sketch, this column would have had a different name....

Then what?

But, quite frankly, now some 25 years and millions of words later we feel that we made a wise choice in the selection of a name.

The name lends itself beautifully as an appropriate catch-all for some of the items that have found their way into it over the years.

We could cite you many examples of what we mean.

But we won't.

"Out-on-the-limb" is synonymous, more or less, to sticking out one's neck.

Both can be chopped off if one goes too far out.

-0-

*RECENTLY FOR THE FIRST TIME WE LOOKED UP IN our friendly unabridged dictionary the definition of "out-on-the-limb":*

*"...7. Out on a limb: U.S. informal, in a dnagerous or compromising situation, vulnerable; The company overextended itself and was soon OUT ON THE LIMB"...*

*We are not sure that is a good illustration.*

*But it does emphasize the point we make.*

*We do stick our neck out on many occasions.*

*And at times have been too far out on the limb also.*

*For our own safety, that is.*

TAKE AS A F'INSTANCE THE DISPOSITION OF THE former "scout hall" at First and Grant.

We submit that the building should be demolished, the lot sold and the money derived from the sale put into the community center fund. That's what we mean by going out on a limb.

But that's also the action we thought the City Council had taken.

Until last week, that is.

The news story in last week's Press, under the headline, "Use of 'Scout Hall' causes Council concern," reported that the Council had directed staff to meet with representatives of the West Valley Hiking Club to discuss the proposed use of the building by the club.

At this conference it would be determined who would pick up the tab to make the building usable (estimated at $11,500).

Incidentally the news story failed to note that the "scout hall" as used in the headline was the same structure as the "old engineering building" as mentioned in the news story.

That was poor reporting.

-0-

**OBVIOUSLY, THERE ARE MANY PEOPLE AROUND who haven't the slightest idea why the building in question was called the "scout hall" in the headline.**

**After all the engineering staff of the city has occupied it for the past 11 years. (The staff in May moved into the engineering wing of the city hall which had just been completed.)**

**During the years that Bill Wren and his gang hung out in the building, an adjacent lot had to be rented by the city to provide parking.**

**Boy Scout troops in town used that structure in its early years. Hence its name "scout hall". The building must be more than 50 years old. (Incidentally, when its title reverted to the city it was specified that funds from its sale must be used for youth activity purposes.)**

**Anyway we thought the venerable structure had served its time to the community, especially when Wally Byron, city building official, had estimated that it would cost $50,000 to meet building code standards for an assembly hall.**

**When the city offered the building for sale there were no takers, so the Council decided to go the demolition and sale route.**

**And that settled it, we thought.**

**Until the West Valley Hiking Club charged into the scene.**

**Now the picture seems to have changed.**

-0-

WE SINCERELY BELIEVE THAT THE CITY OFFICIALS are not doing the community, or for that matter, the hiking club, any favor, if the West Valley Hiking Club is allowed to use the building.

We think the structure over the years has served its purpose well but that nothing will be gained by prolonging its life.

We are well aware that by this attitude we will be accused of being an enemy of youth, wildlife and the great outdoors in general.

We hastily add that we think the West Valley Hiking Club is doing a great job and we wholeheartedly support the club's functions.

But our support does not include closing our eyes over this scout hall situation.

The building is just not adequate for the hiking club or any other civic group. So why kid ourselves?

We also submit that the City Council has now opened the door again, for any and all civic groups of a comparable nature that might need a meeting spot or recreational center.

And not just West Valley Hiking Club.

We predict that the good city fathers may find that they should not have opened the door.

*A "BIRDIE", AS THOSE OF YOU KNOW WHO HAVE been exposed to the pitfalls of golf is the taking of one less stroke than par for a particular hole on the golf course.*

*But recently Councilman Bill Podgorsek was accused of getting his sports mixed.*

*He scored a ',birdie" while deep sea fishing for salmon out of Santa Cruz.*

*Bill, who also plays at golf and knows that generally a "birdie" is worth a dime or so from one's opponents, tried to collect a dime each from his fishing cronies.*

*But he failed.*

*The "birdie" that Pod snared aboard ship happened to be a sea gull that became enmeshed in Bill's line.*

*The gull was reeled in and untangled.*

*And, of course, the event was recorded on film.*

*But no one offered to pay Bill a dime as in golf for his "birdie".*

*They weren't that GULLible.*

**ANOTHER FISH INCIDENT WAS RECORDED FOR POSTERITY in last week's Press when the photo of "Doc" Stander and "Ski" Kavaleski appeared.**

**Ski was credited with catching the largest fish on his boat. But Doc claims that Ski does not deserve all the credit.**

**Although the fish was hooked on Ski's line, Doc maintains he had to reel it in because at the time Ski was busy hauling a fish in on his other line.**

**At least that was the line we got.**

AT A RECENT CITY COUNCIL MEETING, MRS. VELMA Olds, city treasurer, reported on her recent trip to Europe with her husband, Dr. Corwin Olds, pastor emeritus of the Campbell Congregational Church.

Among the many places that the couple visited on their five-week European tour was Vohburg, Germany, a little town in Bavaria that originally was picked as Campbell's sister city.

However, in recent years the sister-city with Vohburg has become a sort of inactive thing.

However, Mrs. Olds reported that they were treated very graciously, although they had a difficult time communicating.

Few people in Vohburg speak English and the Olds are not versed in German.

Velma did learn from the good burghers of Vohburg that just a year ago another emissary from Campbell had visited the town...

It was Fred Chez, local developer, who stopped in the town on his way back from the Olympics in Munich.

Fred also reported to the City Council.

In his case, however, the letter from the city officials of Vohburg to their counterparts in Campbell had been translated first.

The one that Velma brought back was still in its natural state...German.

In accepting it, Mayor Dean Chamberlin, noted that no one present was able to translate it.

He could have added, however, that someone pretty close to the City Council could do the job, i.e., Charmaine Paul, wife of vice-mayor Norm Paul.

Charmaine grew up in Germany and still has "family" there and is fluent in the German language.

## Disturbing attitude

It is expected that the traffic diversion plan for East Campbell Avenue, as developed by the city's public works department, will go into operation some time next month.

The county supervisors have given their approval of the plan, which limits the south Bascom intersections of Shady Dale, El Solyo and Arroyo Seco to right-turn only movements and would not allow any through movement of traffic on Campbell Ave. across Bascom.

County approval was necessary because the plan would limit traffic to right turn only movements at the Arroyo Seco and Leigh Ave. intersection, which is in county jurisdiction.

Approval of the county public works department was given somewhat grudgingly and reluctantly and we are disturbed by the wording of the recommendation that was forwarded to the supervisors by the county public works department.

The implication in the recommendation was that Campbell was being high-handed in the matter. The report notes that the department considers the scheme "undesirable from the pure-traffic-handling viewpoint", but that Campbell has the jurisdiction to go ahead with it.

We consider this attitude of county public works people inexcusable.

Although the traffic problem on East Campbell Avenue, caused mainly by commuters who refuse to use the main thoroughfares, has existed for a long time, no attempt was made by the county public works people to alleviate the conditions, until this city moved into the picture to attempt to solve the problem that was actually area-wide in scope.

Instead of cooperating with the city, the county people have objected to any proposed solution because of the unknown factor that the other residential streets in the area (mostly under county jurisdiction) might get more traffic.

The county did participate in a survey which concluded that nothing should be done about the situation.

We are disturbed by this attitude of the county people because it cultivates a divisiveness in a community. Instead of working with the city public works staff to develop a solution or, at least, to cooperate wholeheartedly with the city in a trial period for some plan, the county people by their back-biting and by their uncooperative attitude have done a disservice to the entire area.

And that makes us boil.

"City" and "county" are NOT two separate countries.

The people within a city pay the SAME general county tax rate that the people do in unincorporated areas.

That should not be forgotten.

We suggest to the county public works staff, and all county personnel for that matter, that they should re-examine their guidelines and eliminate this built-in "iron curtain" that has been developed.

We see nothing wrong in trying out this diversion plan for East Campbell Ave.

AND, for the record, your editor resides on Ridgley Drive which is one of the streets that could be most adversely affected.

But how do we know that until it is tried out?

The Campbell Press MERCHANDISER

## Bringing up fido

By
Sally Howe

Ways to identify dogs when they are lost are often the subject of debate among pet lovers.

Although the county requires that a dog wear his license tags all the time, the long-coated house pet seems to have little use for a tag which continually snarls his hair.

Many people make the mistake of attaching a license to a choke chain (slip collar). Fido's folks put his license on a smooth leather collar which fits snugly around his neck and can't get tangled in brambles or in a picket if he is a fence climber (Fido isn't).

The argument against a collar as means of identification is that a collar can be removed.

A collar is fine if a dog gets lost wearing it and the finder wants to find the dog's owner.

It isn't any good in case of a dispute of ownership.

Several years ago there was quite a scare amongst dog owners about the possibility of "dog-napping." Strange as it may seem (especially for those who have had trouble finding homes for puppies) there is a "market" for dogs. Or, at least, there was.

The need was in medical research laboratories where many human life-saving techniques have been developed thanks to the sacrifices of many valiant canines. (No, we don't advocate it -- it is a fact, however, so we have to give credit where credit is due.)

In the case of a dog-napping or a dispute in ownership, the only positive means of identification is a nose print, paw print or tattoo.

In Canada, dogs are tattooed or nose-printed. Tattooing is done on the ear, but so many prick-eared Canadian dogs would have their appearance spoiled by tattooing that most use the nose print.

Some tattoo advocates are adamant that ear-tattooing is the only safe way, and completely ignore the fact that the appearance of a dog is marred by this technique. A saner way of tattooing is on the dog's flank. Having witnessed a number of these electronic operations, I can attest that the dogs seem barely to feel the action of the tattoo needle, whereas I know they are very sensitive on their ears.

The original idea of tattooing was so that the "finder" of a pet would know who to contact. Our Fido isn't worried about being found--'cause anyone who encountered him would love him so much that they wouldn't want to give him up, but those eight letters on his inner leg (Dad's social security number) establish once and for all who owns him.

### RABIES WARNING

It seems hard to believe, but Fido has encountered a number of people who aren't aware of the seriousness of the rabies epidemic in this county.

Every domestic cat and dog in the county should have an anti-rabies vaccination right now.

The county health department is having regular clinics for dogs, but cats should go to your private veterinarian. Don't delay. Do it.

# Harville places in contest

**MARK D. HARVILLE**
**---talent winner**

U. S. Air Force Sergeant Mark D. Harville, son of Mr. and Mrs. Douglas A. Harville, 149 Budd Ave., Campbell, received a "Wilco" bronze statuette for his performance during the annual Air Force Talent Contest at Lackland AFB, Tex., recently.

Sergeant Harville, a medical administrative specialist with the USAF hospital at Offutt AFB, Neb., was honored for his second-place win in the folk singer category.

The sergeant earned a spot in the Air Force contest by winning a previous competition at his base and the Strategic Air Command finals. The show was judged by a panel of professional entertainers, producers, musicians and other personalities.

Sergeant Harville is a 1970 graduate of Campbell High School.

TO HELP YOU FEEL ACQUAINTED

- We believe that Jesus Christ is the Son of God.
- That righteousness is simply "rightness"
- That there is no one that is righteous.
- That through faith in Christ's death for us, God forgives our past sins.
- That through this forgiveness we can have fellowship with God, person to Person.

### ORDINANCE NO. 901

### BEING AN ORDINANCE OF THE CITY OF CAMPBELL AMENDING TITLE 6, CHAPTER 6.04, SECTIONS 6.04.040 AND 6.04.080 OF THE CAMPBELL MUNICIPAL CODE, PERTAINING TO HEALTH AND SANITATION

The City Council of the City of Campbell does ordain as follows:

SECTION ONE: That the following sections of Title 6, Chapter 6.04 of the Campbell Municipal Code be amended to read as follows:

Section 6.04.040. Unauthorized Use and Handling of Receptacles.

(a) It is unlawful for any person to deposit, keep, accumulate or permit or cause any refuse to be deposited, kept, or accumulated in any refuse container owned or rented by any owner, resident, or tenant, except that prior permission be obtained from the owner or renter of said refuse container.
(b) No person other than the owner, his agents, or employees or the contractor shall handle any garbage receptacle, or remove the contents thereof from the location where the same shall have been placed by such owner or his agent. (Ord. 782 (part), 1971: Prior Code 5201.2)

Section 6.04.080. Minimum Service - Containers.

(a) Commercial, business, and industrial manufacturing must have the minimum of once a week service or more as directed by the Fire Chief, or his duly appointed assistant. Each separate occupancy shall have its own container large enough to dispose of all waste material; all rubbish containers shall be of metal material.
(b) Each commercial, business, industrial, or apartment development shall maintain its refuse container(s) in an area(s) approved by the Fire Department. Unless otherwise noted, this area shall be within an enclosure(s) constructed for this purpose, consisting of a concrete floor surrounded by a sight-obscuring solid wall or fence and have self-closing doors of a size specified by the Fire Department. (Ord. 782 (part), 1971: Prior Code 5201.6)

PASSED AND ADOPTED this 9th day of July, 1973, by the following vote:
AYES: Councilmen: Doetsch, Hammer, Paul, Podgorsek, Chamberlin
NOES: Councilmen: None

# NDGW install Grand President

**MRS. MARIE C. LANDINI**

Mrs. Marie C. Landini, a member of San Jose Parlor No. 81, was recently installed Grand President of the Native Daughters of the Golden West in formal ceremonies held at the Civic Auditorium in Santa Cruz.

The new Grand President was escorted by her daughters Mrs. Frank La Metre, general chairman for the installation and Mrs. Jerry Svindal, who served as honorary marshals. They were assisted by an escort team of members from District No. 26, Santa Clara County.

The room was decorated with baskets of fresh flowers and greens depicting Mrs. Landini's colors for the year of blue and silver.

A large silver star on which was written "Native Daughters of the Golden West" served as a stage backdrop and carried out the theme for the event, "Wishing on a Star."

One of the highlights of the evening was the performance of the drill team wearing aqua blue formals and carrying silver and blue stars.

The drill team was composed of members of San Jose Parlor No. 81, Vendome Parlor No. 100, San Jose; and El Monte Parlor No. 205, Mountain View. The team trained under the direction of Mr. Jack Coughlin of San Jose.

Mrs. Landini will be traveling extensively throughout the State of California for the next year. In the near future she will be attending the Santa Barbara Fiesta, City of Sacramento Birthday Celebration and the Mission Soledad Fiesta.

The culmination of her year will be June 1974, when the State Convention will be held at the Hyatt House in San Jose.

## Car hits carrier

Ralph Whitmore, 13, a carrier for "The Press" escaped serious injury when he was struck by a car while crossing San Tomas Expressway at Campbell Avenue Sunday morning. He was on his way to "The Campbell Press" office when the accident occurred.

Thrown from his bicycle, Ralph suffered cuts and abrasions and was released after treatment at a local hospital.

His bike, a new 10 speed, did not fare as well. Ralph will be shopping for a new one.

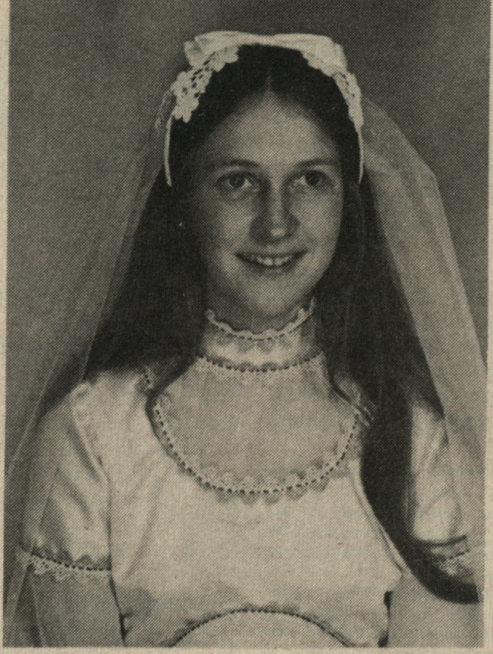
# Afternoon Ceremony



MRS. JOHN WELDON PARKER

Kathleen Diane Engdahl wore a white satin and chiffon floor length gown of her own design when she became the bride of John Weldon Parker.

The double ring ceremony, which took place at the Congregational Church of Campbell, was performed by Rev. Anthony Wayne Myers.

The bride, daughter of Mr. and Mrs. Rodney A. Engdahl of Campbell, was given in marriage by her father. Her gown featured a lavender and white tatted trim and she carried a bouquet of corn flowers, white rose buds and baby's breath.

Cynthia Mesquita attended her as maid of honor and wore a lavender satin and chiffon gown as did bridesmaids Dawn Engdahl, sister of the bride, and Katherine Parker. sister of the groom. The attendants carried bouquets of cornflowers, pink rosebuds and baby's breath.

For her daughter's wedding Mrs. Engdahl chose a floor length rose colored dress. She wore a corsage of cornflowers and stephanotis, as did Mrs. Parker, mother of the groom, who was outfitted in a floor length floral print gown.

Rob Milroy served as best man. Guests were seated by ushers Kenneth and Rodney Engdahl, brothers of the bride.

A reception for 200 guests in the church's Fellowship Hall followed the ceremony.

The bride, a 1971 graduate of Campbell High School, attended the University of California at Santa Barbara.

The groom, son of Dr. and Mrs. Weldon Ray Parker of San Jose, is a 1971 graduate of Camden High School. He attended California State College at Sonoma and is presently employed by FMC Corporation.

The couple will make their first home near Sonoma, where they will attend classes at the California State College this fall.

## LOCAL COLLEGE GRADS

Four students from Campbell have received bachelor of arts degrees in graduation ceremonies held recently by the University of California at Santa Barbara.

They are Gary Lee Fischer of Dell Avenue, a history and religion major; Randall Michael Fujishin of California Drive, a speech major; Catherine Louise McLain of Queens Court, an English major; and Bruce Steve Shapiro of Rose Court, a psychology and zoology major.

**SUMMER IS**...Suntan lotion and stubbed toes.

**BOOGIE WOOGIE BABIES--- The 1940's will live again when "Campbell Review" hits the stage during amateur talent competition at the 29th annual Santa Clara County Fair, August 17-26. The deadline to enter the strictly nonprofessional talent contest is July 23. There is no entry fee for the applications which are available at the fairgrounds, 344 Tully Rd., San Jose, or by calling 295-3050. The competition is divided into four categories: Junior, ages five to eight; Intermediate I, ages nine to 12; Intermediate II, ages 13-16, and Senior ages 17 and over.**

**LOCAL TALENT --- Three teenagers from Campbell are among cast members in San Jose Music Theatre's summer teen production of "Follies," scheduled to open July 27 for six weekend performances in the Montgomery Theater. Pictured above, second from left in top row, is Lynn Eldredge who plays Dee Dee West in the production. Lorene Bryant, playing the major part of the younger Sally, is also from Campbell as is Tom Gabbard who portrays Roscoe. Also pictured above from left are (top) Anne Jensen, (middle row) Silvia Martins, Laurie Muzeck and Robin Whisenant, (bottom row) Judy Scott, Louise Beresford and Andrea Paolantonio. For more information about the musical call 286-6841.**

## Callsheet

**with C. Michael**

Phoenix Productions will open their second show of the season on Friday night. The Tony Award winning musical dealing with the signing of the Declaration of Independence will run weekends through August 4 with special student discount rush tickets. For ticket information, call 264-5497. G. Leslie Muchmore, Robert McKay, James Kinney, and all three Vines lead the cast.

### "PLAY IT AGAIN SAM"

The Woody Allen comedy opened on Saturday in Soquel at the Staircase Theater. It was a very funny show and I'm sure that in future presentations, the technical areas will clean themselves up.

Especially of interest was Michael Burkett, who will play Conrad Birdie in the upcoming "Bye, Bye Birdie." He played the secondary roles of the husband and did the Bogart bits. He is very versatile and adds much strength to the cast. Peter David Heth had much fun in the romp and took advantage of the technical errors and put them into the play. All will enjoy the play and it is worth the visit to Soquel.

### SARATOGA CIVIC THEATER

The 1974 theater schedule has just been released by the City of Saratoga and all participating groups are most upset. West Valley was cut back to two shows, SDG was cut to one musical, and the Community Players have only two bookings. Saratoga High School was given two dates and the Saratoga Youth-Adult Drama Organization was given one date. Seems like there could be some adjusting so that all groups would be somewhat happier. There just aren't enough theaters available.

### HERE AND THERE

It will be worth a trip over the mountain to see Gloria Stockton "tap" dance in Cabrillo College's "Anything Goes." Call 475-6000 for more info...Cathy Spielberger will do the choreographic chores for Gilroy's "My Fair Lady".....Jeff Risk is assisting Marie Stinnett in the musical staging for "Follies".....The cast of "Follies" surprised their director on Thursday last with a copy of the original poster painted by Katie Peterson with all of local cast and crews autographing it.....

There will be additional auditions for members of the ensemble for "Bye, Bye Birdie" on Sunday, July 29, in the Los Gatos High School Auditorium from 1 to 3 p.m. All needed materials will be provided.....Armand Plato, resident director, for the Community Players, will announce his season soon. No definite plans have been decided upon as yet....."Our Town" plays its final weekend this Friday and Saturday in the Saratoga Civic. Tickets may be purchased at the door.....Also big doings at San Jose State University these days. Lots of plays going on.....

# OUR TOWN

by JoAnn Zoller

The Legionnaires of the CAMPBELL MOOSE LODGE are planning a weekend of fun and relaxation beginning Saturday, July 21, when they will leave on a bus trip to Reno...

Bouquets...

STEVEN BORSGARD, son of Mr. and Mrs. Calmer S. Borsgard of Sobrato Drive has been honored with addition to the Dean's List for the spring semester at Claremont Men's College in Claremont, California. A junior majoring in engineering, Steven was required to maintain a grade point average of at least 3.0 in order to qualify for the honor.

Congratulations to DR. DUKE MORGAN who was awarded a Legion of Honor plaque by the CAMPBELL KIWANIS CLUB for his 40 years of membership in the group. Also awarded him at the recent luncheon was a 39-year perfect attendance pin.

In 40 years as a member of the club, Dr. Morgan has missed only one meeting...

Best wishes to PHIL and DODY BAKER who celebrate their wedding anniversary today... also to CLIFF and LINDA LEONG who celebrated their anniversary July 3...

The many friends of HELEN WELCH will be happy to learn she is much better and has resumed normal activities following her recent eye surgery at O'Connor Hospital.

Summer activities for the young...

The FIRST UNITED METHODIST CHURCH of Campbell is sponsoring "A Summer Happening for Children" July 30 to August 10.

The vacation church school will be held 9:15 to 11:30 a.m. Monday through Friday at the church at 1675 Winchester Blvd.

President Mel Flitcraft will conduct the business meeting.

Luba Haug, Program Chairman has announced a Batik demonstration will be given by Lou Anne Houser. She will begin with a batik appetizer (edible) to describe the resist technique, followed by a new batik method she has developed over the years. A mono print will also be made from a batik painting.

Artist of the Month winners for the month of June were Eileen DuBridge, first; Jackie Flitcraft, second and Rose Franciotti, third. This is a monthly award and members are requested to bring their new paintings to the meetings for balloting during the coffee time.

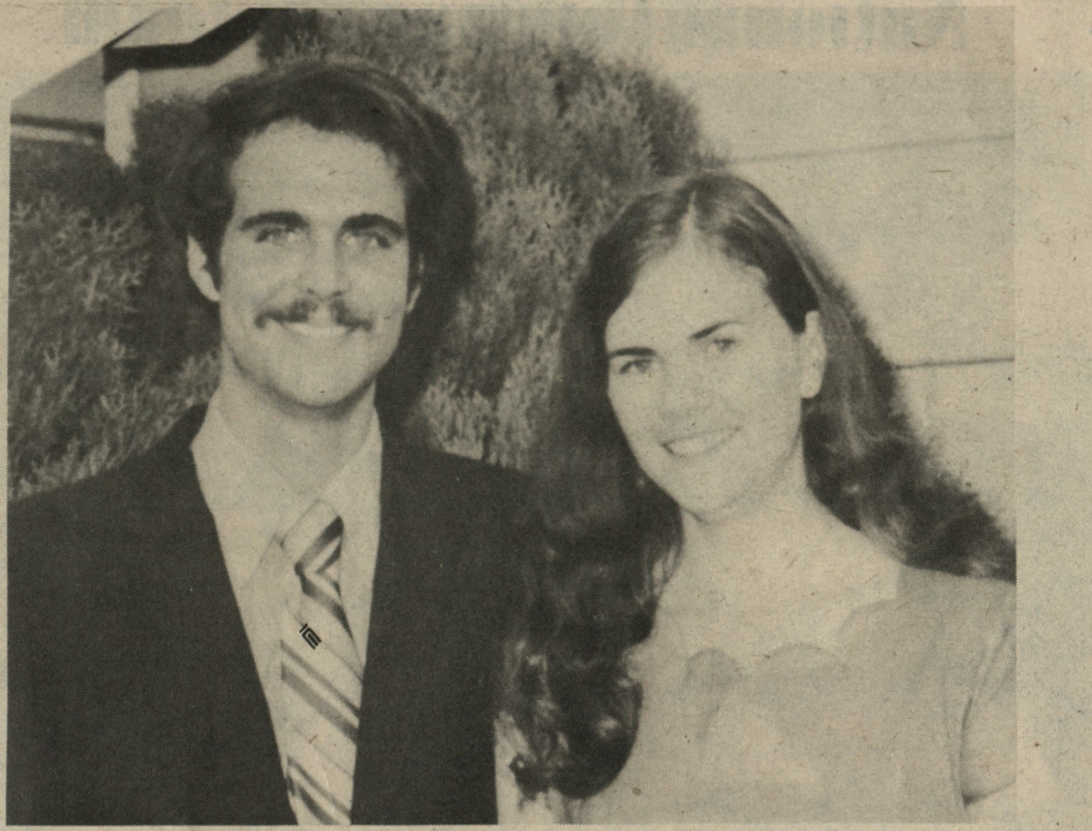
The meeting is open to all interested artists and the public without charge.

### COMICAL OPERA

Villa Montalvo's Nineteenth Annual Summer Music Festival concludes Friday, July 27 at 8:30 p.m. with a special outdoor performance, in Villa Montalvo's amphitheater, of La Perichole Offenbach's comical opera, presented by The San Francisco Talent Bank and sung in English.

Villa Montalvo's Summer Music Festival Committee selected this light and amusing opera as an ideal way to spend an evening under the stars at the close of their season of fine music.

For complete ticket information, call Villa Montalvo, Saratoga, 867-3421.



MR. and MRS. JOHN EVERETT ARNOLD

# *Peace Corps volunteers wed*

Elaine Rose Johnson and John Everett Arnold, both Peace Corps volunteers who have been stationed in Loei, Thailand, were united in marriage in a double-ring ceremony performed by Rev. William H. Gould at the First United Methodist Church of Campbell

The former Miss Johnson is the daughter of Mr. and Mrs. Ben Johnson of Campbell. Arnold is the son of Mr. and Mrs. Gale A. Arnold of Menlo Park.

The bride, who was given in marriage by her father, wore a chiffon and polyester crepe empire styled gown tailored by Elaine and her mother. The gown featured short bell sleeves and a multi-colored floral pattern which was hand embroidered by the bride at the neckline and above the gown's flounce. An elbow length veil completed her costume. She carried a nosegay of mixed spring flowers.

Lynn Cox Denni attended her as matron of honor and wore a blue voile floral print gown. Irene R. Johnson, the bride's sister, served as bridesmaid and wore a pink floral print voile gown. Both attendants carried nosegays of mixed spring flowers.

Steven Hart of Menlo Park served as best man. Ushers were Robert G. Arnold and Steven A. Arnold, brothers of the groom and David B. Johnson and Karl W. Johnson, brothers of the bride. Vocal selections were offered by Bob Campbell and the bride's brother, Karl Johnson, who also played the guitar.

For her daughter's wedding Mrs. Johnson wore a hand crocheted turquoise lace ensemble and a corsage of spring flowers.

The mother of the groom was outfitted in a pink street length dress and also wore a corsage of spring flowers.

A reception for 125 guests at the church's Fellowship Hall followed the ceremony, a buffet supper for the family was held at the bride's home.

Elaine is a 1966 graduate of Campbell High School and received a bachelor of science degree in home economics in 1971 and a secondary teaching credential in 1972 from the University of California at Davis. She is now a Peace Corps volunteer working in a nutrition program in Loei, Thailand.

John, a graduate of Menlo-Atherton High School, received a bachelor of science degree in international agricultural development from the University of California at Davis in 1971. He is now a Peace Corps volunteer working in agricultural extension in Loei, Thailand. Previous to this assignment he served two years as a volunteer in Ubon, Thailand.

After a short honeymoon trip to Hawaii the couple will return to Thailand for two more years of service.

# College reoffers courses due to "popular demand"

Due to popular demand, West Valley College is repeating two of its highly successful workshops - "Creative Stitchery" and "Fittings, Alterations and Basic Patterns."

Another workshop on "Children's Playwear" will also be offered during the month of July.

"Creative Stitchery" will be repeated July 23-27 from 9 a.m. to noon. Ms. Beverly Ledwith will instruct participants on embroidery stitches and techniques using various types of material as they relate to both clothing and decorative pieces.

Ms. Ledwith will also instruct "Fittings, Alterations and Basic Patterns." The class will run July 23-27 from 1-4 p.m.

"Children's Playwear" also will be held July 23-27 from 10 a.m. to noon with Mary-Letha O'Brien instructing. This workshop will cover pattern and fabric selection, fitting, pre-shrinking, measurements, simple T-shirt construction, "3-seam" pant construction, and bathing suit construction.

Registration and a small fee for each workshop is required and may be completed through Community Services, 44 E. Latimer Ave., Campbell, room L-26. Further information may be obtained by calling that office at 379-1733, ext. 58.

### GRANGE NEWS

The Santa Clara County Grange Committee on Women's Activities (CWA) will meet in the Almaden Grange Hall on McKean Road, Wednesday, July 25, at 12 noon.

The meeting will honor all past chairmen of the CWA.

Refreshments will be served.

### CLASS REUNION

The 1968 graduating class of Camden High School will hold their five year class reunion this Saturday, July 21 at Alpine Lodge, Canoas Garden Road in San Jose.

Camden - Branham senior year transfers are welcome.

For further information call Carol (Daniels) Sullivan at 266-9994.

# County Fair accepts home economic entries

Home economics entries, excluding baked goods, for competition in the 29th annual Santa Clara County Fair, August 17-26, are now being accepted from 8 a.m. to 5 p.m. through August 8 in the Pavilion at the fairgrounds, 344 Tully Road, San Jose.

Clothing and textiles, weaving, knitting, rugs, stitchery, special handicraft and potpourri, lapidary, canning, confections, and baking are the competition divisions.

Those not desiring to deliver entries to the fairgrounds until closer to the August 8 deadline are urged to send in entry blanks including their phone numbers, according to Mrs. Marie Campbell, chairwoman of the Fair's Home Economics Department.

Baked goods must be brought in the day of judging.

Premium books, including rules and regulations, and entry blanks, are available at the fairgrounds, or by phoning 295-3050.

## Livestock entry deadline set for annual county fair

July 27 is the deadline to enter animals in the open livestock division of the 29th annual Santa Clara County Fair, August 17-26, according to William A. Straub, secretary-manager of the Fair Association.

Four-H and Future Farmers of America may not enter this division if their animal qualifies for junior division.

Open division categories include beef cattle, dairy cattle, dairy goat, light horse, sheep and swine.

Entry fees range from $8 to $1 for premiums ranging from $2 to $80. Ribbons will be presented, as well.

Animals entered in open division must be brought to the livestock area of the fairgrounds, 344 Tully Rd., San Jose, before noon on August 20.

Premium books containing rules, regulations, and entry forms are available at the fairgrounds or by calling 295-3050.

### THE LOST CHORD

In two separate incidents last week stringed instruments valued at over $2,600 were stolen.

Holcomb's Banjo and Guitar Shop, 528 E. Campbell Ave., was broken into last Saturday. Stolen were a Gibson five-string gold plated banjo and a Vega Banjo. Total value was set at $1,775.

In the second burglary a Campbell musician found two guitars, valued at $875, gone from his home.

Police have the thefts under investigation.

### VANDALS

Campbell Elementary School suffered damages to one of the classrooms last week when youngsters broke in.

Apprehended at the scene were three boys, ages 5, 7 and 9 years.

They were later released to their parent's custody.

## Public lecture planned here

A free public lecture on Transcendental Meditation (TM), as taught by Maharishi Mahesh Yogi will be given in Campbell on Wednesday, July 18. The talk will be given in the West Valley College boardroom at 8 p.m.

Two local instructors of TM will conduct the sessions.

The college is located at 44 E. Latimer Avenue. For further information about the program call the IMS center at 265-6317.

CAMPBELL

## Little League

by Doug Brooner

In the major playoffs Moose Lodge two timed Breuners 10-4 and 5-4 to win the championship and right to represent Campbell L.L. in the Tournament of Champions.

In the first game Moose used the long ball plus strong pitching to stop Breuners. Jeff Rymer, winning pitcher who gave but three hits while striking out 10, belted two homeruns and singled twice, good for 6 RBI's.

Tim Mooney of Moose also blasted a homer as well as singleing. Brian Canady contributed for Moose with two hits.

In the second game loosing Breuners outhit Moose 11 to 4 but the home run ball by Moose batter Joe Cucciara in the fourth was too much to overcome.

In the fifth Breuners made things close as Tom Davis and Brian Raust singled and then Mark Izatt parked one out of the game for a three run blast.

### WICKED DRIVE

Breuners threatened to tie the score in the sixth. With a runner on first and two outs, Billy Tsamis smashed a wicked drive to left field but Chris Alcocer made a fantastic one hop stab of the ball before it hit the fence, wheeled and threw a strike to the third baseman who tagged the surprised sliding runner for the final out.

Mike Marti was the winning pitcher for Moose. Sharing hitting honors for Breuners were Tom Davis, Brian Raust and Terry Meyer with 2 hits apiece. Joe Cucchiara led the Moose hitters with two hits.

### T.O.C. GAME

Moose Lodge will play its first T.O.C. game against the major champion from Sunnyvale Pioneer L.L. on Sunday, July 22, 6 p.m. at Campbell L.L. If they win Moose will meet the winner of the Sunnyvale Metro-Santa Clara Briarwood game on Monday, July 23, 6 p.m. at Campbell L.L.

### MINOR LEAGUE

In the National Minor League Playoffs, second half San Jose Optimist ripped first half champ JJ&R Shoes twice 5-1 and 19-12.

In the first game Don Payton of Optimist pitched a no hitter while striking out 5. Tony Dacquisto and Don Payton paced the hitting with 2 doubles each.

### DIME A DOZEN

In the second game runs were a dime a dozen in the 2½ half hour battlethon, as 31 runs crossed the plate. It might have been more if Optimist hadn't pulled an unusual double play; a ball hit to the centerfielder who fired a bullet to first to nip the runner and then a throw to third to catch a sliding runner.

San Jose Optimist had the big belters as homers by Walter Cornejo, Ken Ransford and Bill Janes made life miserable for JJ&R. Ken Ransford also hit a bases loaded double to drive in three more runs.

San Jose Optimist will now meet first and second half American League champion John White Insurance for the Minor League championship.

QUITO

## Little League

by Jean Villareal

On July 16 Quito Little League's Pollard Road field hosted an All-Star game. Another is scheduled for Thursday, July 19, and everyone is welcome to come out and watch the game.

The boys on our all-star team are: Ken Pappa, David Hart, of the Braves; Jeff Cittaa and Rodney Hilovsky from the Cardinals; Dave Underhill of the Phillies; Doug Koontz, Bret Guenther and Mike Stevenson from the Twins; Mike Larson, Randy Courville and Allen Elliott of the Giants; Matt Gregory and Dave Stegman from the Tigers and Doug Wright from the Indians.

Ed Schaller is their manager and he is from the Giants; John Davis is the coach from the Indians. Craig Waltz, Phillies alternate; Ed King, Dodgers alternate, Perry Lunt, Lou Bacho from the Orioles Twins alternate.

### MINORS

This year for the first time the Minor A's have an All-Star team. Their manager is and Dave Harris from the Astros.

The boys are: Mikey Ilich, Ricky Kalacki, and Paul Triaz, all Astros; Sam Yoshikawa, Cubs; Pat Cherry, Bruce Boyer, Jeff Wright and Dean Bacho, all Orioles; Mark Nakano, Ricky Daniels and Kevin Derr, all Padres; Matt McDermott and Mark Nicholas, Red Sox.

New board members were welcomed recently. The men's group includes: Bob Leis, president; Dave Harris, vice-president; Robbie Roberson, secretary; Bill Pappa, treasurer, and Joe Solimine, player agent.

Women's group members are: Carol Pappa, chairman; Ruth Murphy, vice-president; Elaine Ellis, secretary; Elaine Macierz, treasurer, and Jean Villareal.

## He did it

Before the baseball season started, Stan Highfill, owner of Campbell Billiard Center, put a sign above the Minor League Scoreboard and promised any lad a billiard stick if he could hit it.

It took the last regular game of the season before Robbie Guditus of Hamilton Round Table Pizza cracked a high and mighty homer that banged against the sign to win the award.

Last week Stan presented Robbie with his award at the center. Incidently Robbie's team won the game, 18-15.

## BOBBY SOX

by Carol Casteel

Practice has begun for the Moreland-Campbell All-Stars, and both teams are working hard every day.

The minor All-Star Tournament begins this Saturday, July 21, with Moreland playing Blossom Ridge at 3:30 p.m. Site of the tournament is Sterndorf School on Foxworthy Avenue. Opening ceremonies begin at 2:30 p.m.

Awards night is Thursday, July 19. Elections for the two boards for Campbell and Moreland Bobby Sox will be held. All girls will receive participation awards.

## Annual auto Destruction Derby has single-driver competition

Twelfth annual automobile Destruction Derby of the Santa Clara County Fair will be held at the Fairgrounds in San Jose on Sunday, August 26, with single-driver competition this year replacing the four-man teams of past competitions.

Prize money remains the same, $1,000, but this year the winning driver will be able to keep the full $500 for first place instead of sharing with team members. Second place is worth $400, third $100.

Standard Destruction Derby rules will apply. There will be heats with cars transferring into a grand finale made up of the best 30 cars and drivers.

In recognition of new fire-safety programs for competition cars, only three gallons of gasoline will be allowed per machine.

Competitors and those entering the pit area must be 18 or over and must pay a $3.50 fee, which covers insurance. Rules and entry forms are available by writing Destruction Derby, 14 Camp Evers Lane, Scotts Valley, CA 95066.

Spectator admission prices for the 6,500-seat covered grandstands will be $2 for adults, 75-cents for youngsters under 12. Crash action begins at 3 p.m. and crash cars must be in place by 1 p.m. the day of the event.

### CARNIVAL – SWIM PARTY PLANS TOLD

Two Campbell girls are working hard on preparations for fund-raising carnivals to aid the fight against Muscular Dystrophy.

Kristina Hadges, 11, will hold a backyard carnival at her home on Thursday, July 26, from 1 to 4 p.m. She lives at 3719 Century Dr. Games, prizes and plenty of refreshments are planned for the afternoon.

A swim party will be held by Gerrilyn Gangitano, 12, at her 3710 Century Drive home, on Friday, July 27, from 1 to 4 p.m.

Admission to the swim party, in the Gangitano's built-in, heated pool, is 20 cents. Girls with long hair are requested to wear a bathing cap.

Cupcakes, popcorn and koolaid will be on sale at the swim party, according to Gerrilyn.

## Strange happenings at Campbell High

by Steve Wadley

People have been reporting strange goings on in and around Campbell Union High School auditorium.

High school students from all over the valley have been converging on this auditorium at the unheard of hour (during the summer) of 8 a.m.

They come by an odd assortment of ways: afoot, by car, bike and by thumb. Why?

When asked what they do, they mumble something about painting wagons.

I wouldn't have thought the school would be involved in the carriage trade, so I sought out a responsible looking chap and inquired of him just what was going on.

He said it wasn't wagons they were painting but sets and drops for the Campbell Union High School Summer Theater production of "Paint Your Wagon." This Lerner and Loewe musical promises to be a highlight of the summer's theatrical offering featuring Ray Napolitano playing the part of Ben Rumson.

The production begins its four-day run Wednesday, July 25, through Saturday, July 28. Curtain time is 8 p.m. and admission is $1 for students and $1.50 for adults.

LOCAL BICYCLIST DAVE SHANNON TAKES A BREAK ON VANCOUVER ISLAND, BRITISH COLUMBIA

# One way to beat the heat

With the summer smog and swelter in full swing wouldn't you rather be floating down a cool mountain river on a raft or climbing a snow covered peak in the Cascade Mountains of Washington?

Well, that is exactly what many young people of the Santa Clara Valley are doing right now or will be doing before the summer is over.

### RAFTING

The West Valley Hiking Club of Campbell is presently in the midst of a full summer of wilderness trips. With over twenty-two staff members and assistants, the Club is taking young people from all over the Santa Clara Valley on trips to the High Sierras, Vancouver Island in British Columbia, the North Cascades in Washington, bicycling in the San Juan Islands of British Columbia, and, the glamour trip of the summer, a week of rafting on the Rogue River in Oregon.

### SIGN-UPS

With over 200 young people registered for these trips at present, the Club's summer director, Lew Harwood, expects that the sign-ups may double by the time summer school lets out in August.

The trips include a variety of activities from backpacking to mountain climbing and bicycling to rafting. The trips also vary in length from one week to eighteen days and in price from $49 to $139.

### ISLANDS

Many local bicycle enthusiasts will have the opportunity of enjoying a leisurely ride among the beautiful forested islands in the San Juan and Gulf Island region between Washington and Canada.

Those people, both young and adult, who enjoy the perils and pleasures of climbing, will train for a week and then climb Mt. Rainier in the rugged North Cascades Wilderness

One of the most spectacular outings is a backpacking trip down the west coast of Vancouver Island known as the Shipwreck Coast. This consists of a hike along driftwood covered beaches and lush coastal forests, and, of course, perusing the remains of numerous ancient shipwrecks.

### INFORMATION

Anyone who is interested in these trips and would like more information can come to the West Valley Hiking Club at 409 E. Hamilton Avenue in Campbell or call 374-3311 between 3 and 6 p.m. weekdays.

# Moreland reelects Anderson

John Anderson was reelected president of the Moreland School District Board of Trustees at the meeting held July 10 in the district offices.

Reelected to serve as clerk of the board was John Hibbert.

Richard L. Davis, secretary to the board, administered the oath of office to Anderson, and to new board members David Towle and Damon G. Nalty.

In other business the board:

Heard from Robert J. Casey, chairman of the personnel commission, that he does not plan to seek a third term on the commission when his term of office expires on December 1.

Received a report on the Early Childhood Education program proposed for the district during the 1973-74 school year.

Reviewed and adopted the publication budget.

Discussed plans for the purchase of a 66-passenger bus.

Learned that the student body at Latimer School will contribute at least $1,000 to accompany district funds for carpeting in the remodeled library at the school.

# Board grants raises

Campbell Union (elementary) School District Board voted unanimously last week to grant management personnel an increase of about 4.5 per cent over that projected for salaries on last year's schedule.

In addition, the board also approved a 1.142 per cent increase in salary for personnel in four classified management positions. These are business manager, assistant business manager, food services supervisor and building and grounds supervisor.

The action took place after a three hour executive session during the board meeting last Thursday in the district office.

Trustees also took action removing the Superintendent's salary from any schedule and voted to determine his salary independently of other district employees.

They also voted to continue the superintendent's salary for the 1973-74 school year at last year's annual rate.

# Towner heads Cambrian

Charles (Sonny) Towner will head the Cambrian School District for the next year and Herman Osorio has been named clerk. John Shehtanian, outgoing board president, will be board representative on county matters.

Superintendent D. M. Bagby is executive secretary. At the organization meeting, the board approved the Early Childhood Education plan for Steindorf School and accepted the resignation of Angelo Artemisi, Cambrian School custodian.
